Facilitating intergenerational solidarity and learning through building friendship between youngsters and elderly

RUNNING A BEFRIENDING SERVICE

Volunteer is anyone who donates his or her free time to others out of solidarity. Dealing with elderly and vulnerable people, however, is a responsibility that requires attention and preparation.

A Befriending service must therefore be implemented and managed according to precise criteria defined in its various steps:

- recruitment and selection of volunteers
- management and motivation
- Befrenee assessment
- matching Befinders and Befriendees
